Will you fall in love with me?
ROBICO

If the point of this section is unclear, you won't get your message across.
Like I was saying, it's not clear why he's saying that.
When I asked about it, he said he wasn't dating either of them. This kind of thing happens all the time...
As his older sister, I'm worried about him.
Wish that were me...
Is your brother really that popular with women?

S... sorry.
JUMP

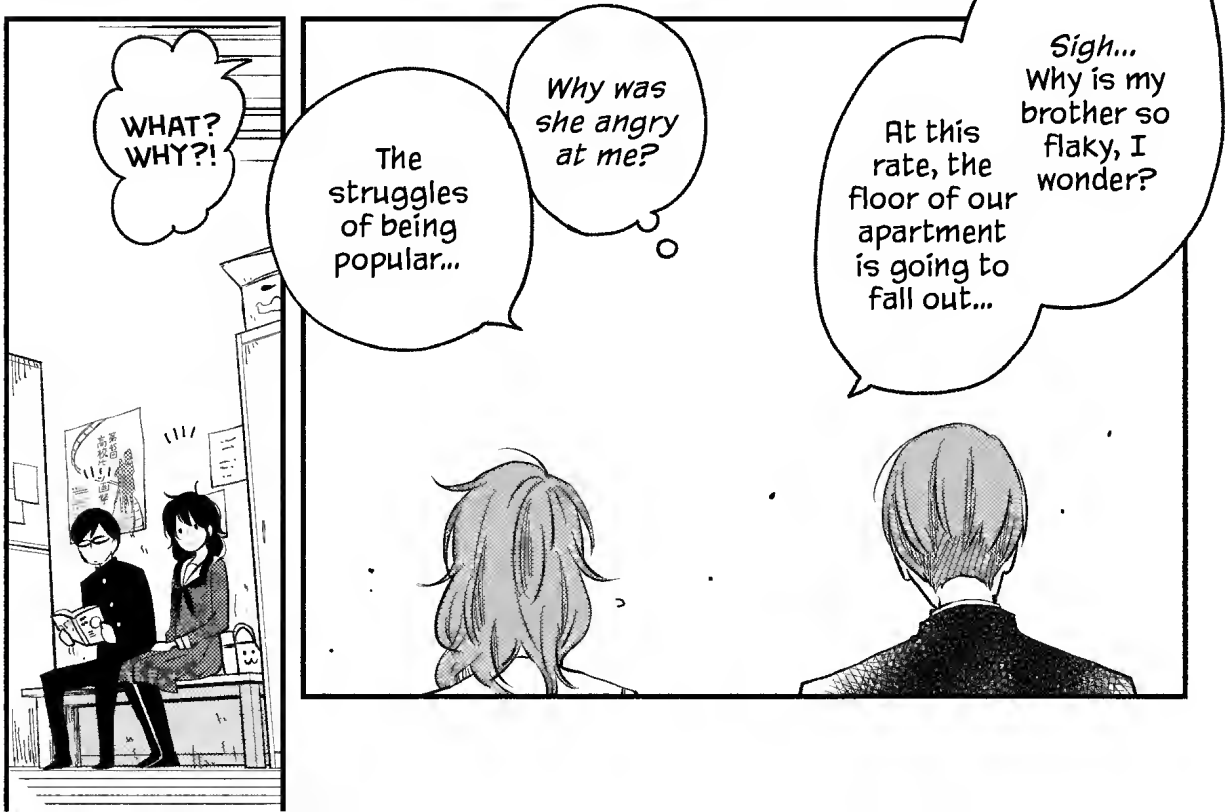
What are you saying?! Do you want to make women cry?!
You'll never be a respectful adult with that attitude!



WHAT? WHY?!
The struggles of being popular...
Why was she angry at me?
At this rate, the floor of our apartment is going to fall out...
Sigh... Why is my brother so flaky, I wonder?

YOU USED TO ALWAYS GO WITH ME!
I know. I'm sorry.
WHY?! WHY WON'T YOU?!
FORGET IT! I HATE YOU, TAMAKI!
YOU MADE HER CRY.
SHE'S CRYING NOW.

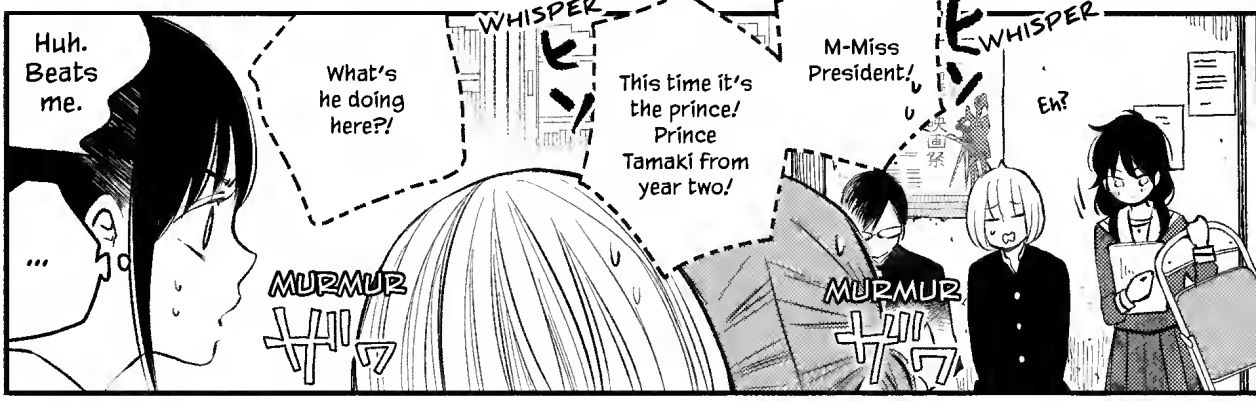
And so...
Why are you in there?
OH. WHAT'S UP, YOU TWO?
YOU'RE SO FLAKY.
YOU'RE SUCH A FLAKE.

Me, flaky? I think you misunderstand.
I was just invited to the donut shop...
Um? What the heck?
Kazuomi Tamaki-kun! Would you mind answering a few questions for us?
...we have here with us one flaky boy:



Huh. Beats me.
...
What's he doing here?!

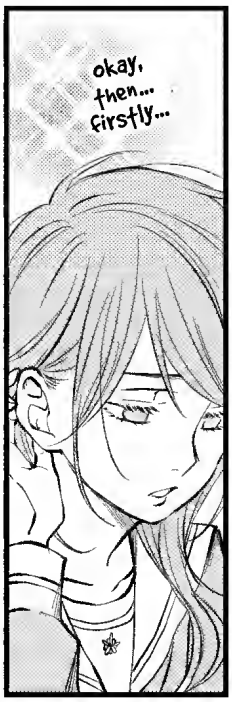
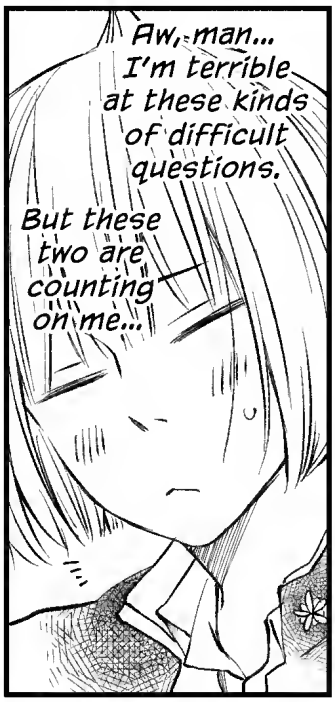
Eh?

Tamaki...
I'M CONFIDENT IN MY ABILITY TO BE FLAKY!

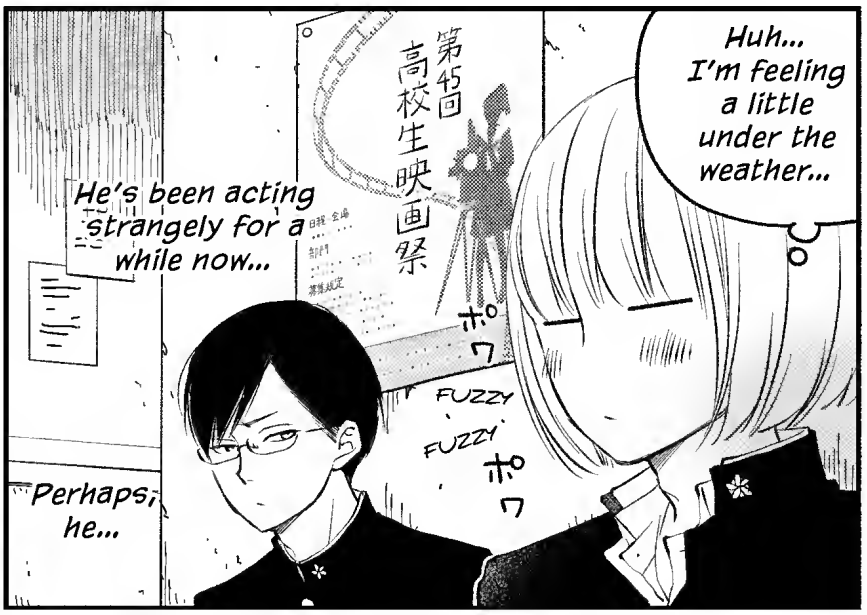


okay, then... firstly...



Aw, man... I'm terrible at these kinds of difficult questions.
But these two are counting on me...

...is frightened of Aizawa-san?



He's been acting strangely for a while now...

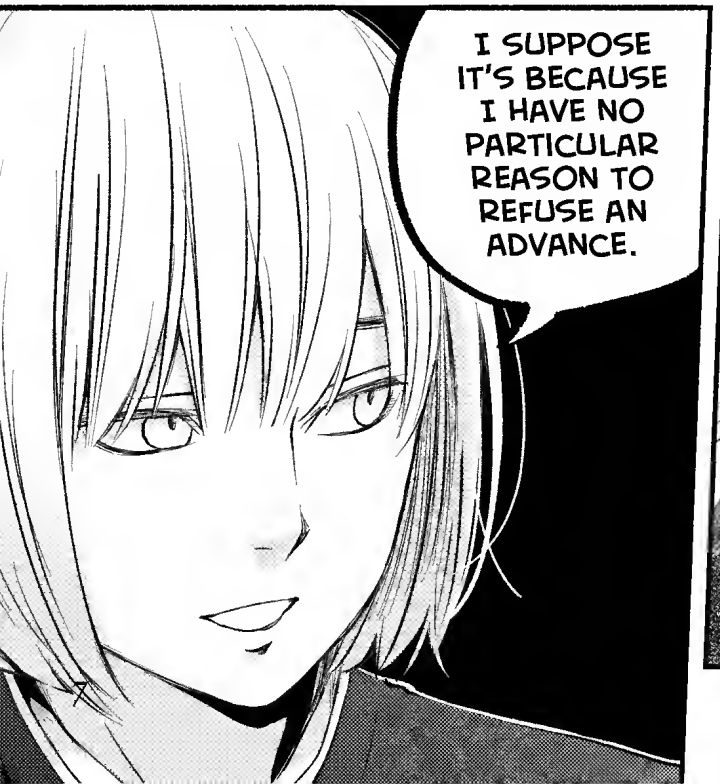
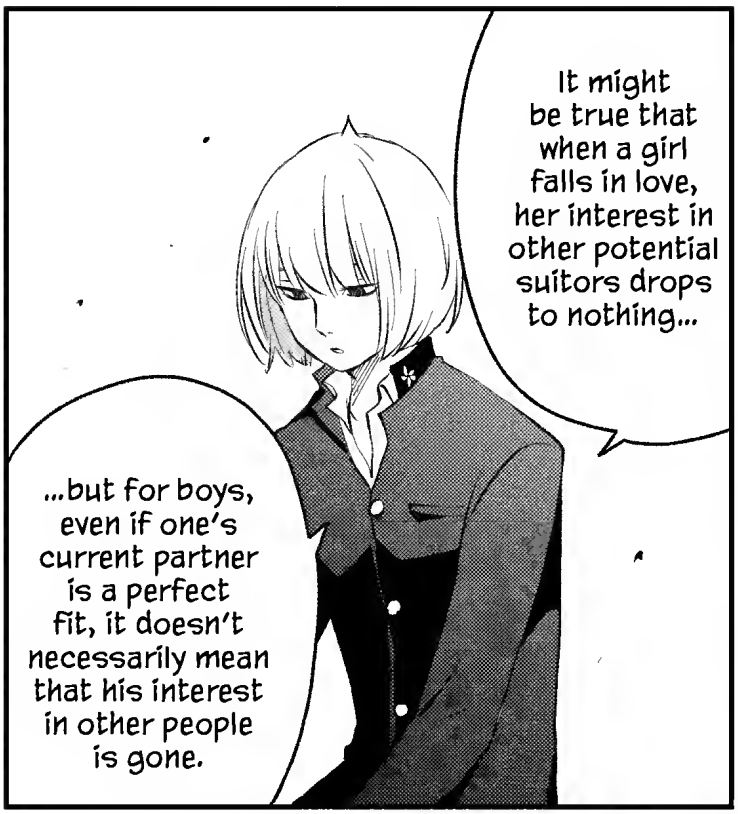
Perhaps, he...
Huh... I'm feeling a little under the weather...

There's no chance his responses won't anger her.
You're referring to what other people request of me, aren't you?
Hmm... That's rather difficult.
Thoughts and actions that make girls cry
Firstly, might I ask why you feel entitled to be involved with multiple girls simultaneously?
That's only natural. Forcing this topic on him is like leading a lamb to the slaughter...



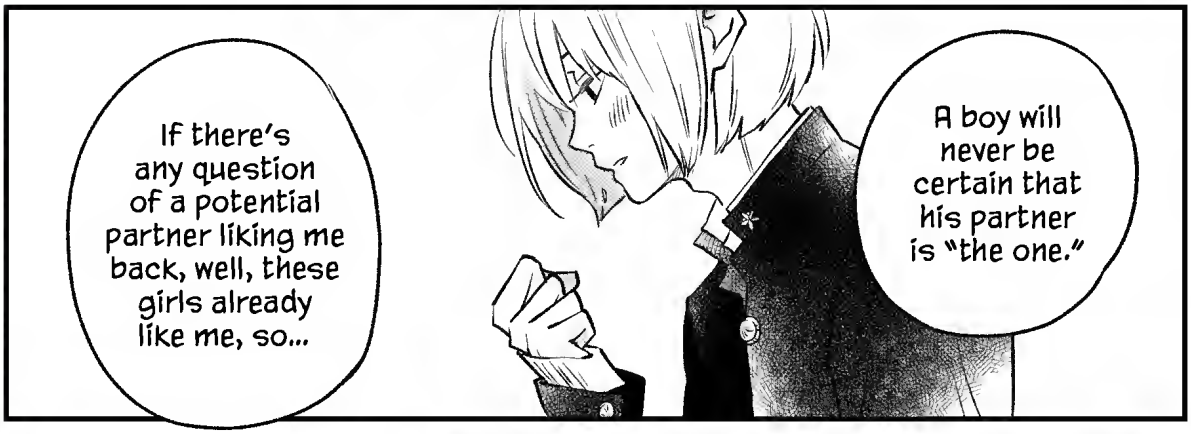
I SUPPOSE IT'S BECAUSE I HAVE NO PARTICULAR REASON TO REFUSE AN ADVANCE.

All right. As a fellow man, I'll act as his lifeboat by bailing him out with more reasonable—



It might be true that when a girl falls in love, her interest in other potential suitors drops to nothing...
...but for boys, even if one's current partner is a perfect fit, it doesn't necessarily mean that his interest in other people is gone.

He...he walked right into it?!



A boy will never be certain that his partner is "the one."
If there's any question of a potential partner liking me back, well, these girls already like me, so...

IF THEY'RE OFFERING...
I MIGHT AS WELL ACCEPT!

Look out, Tamaki! She's gone stone cold!

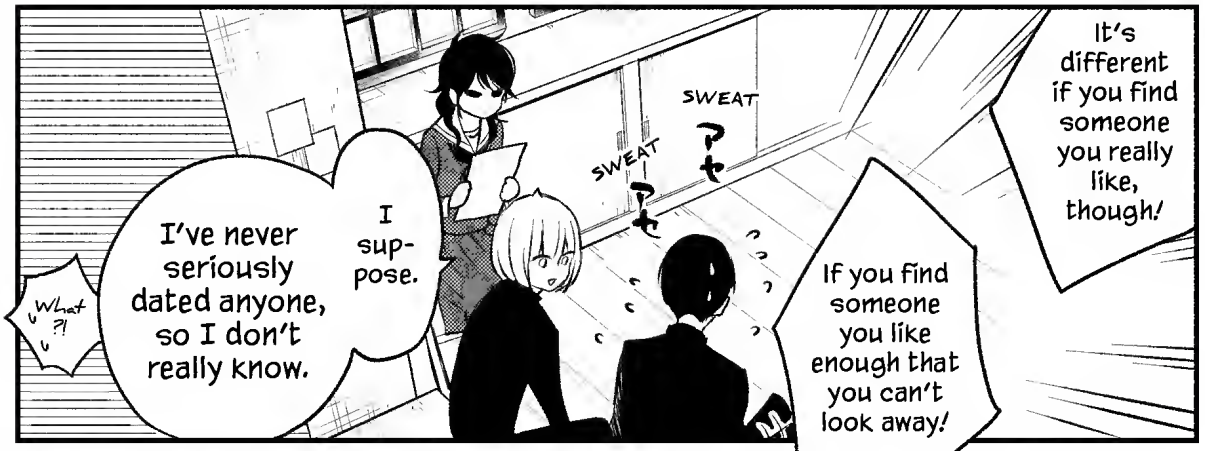
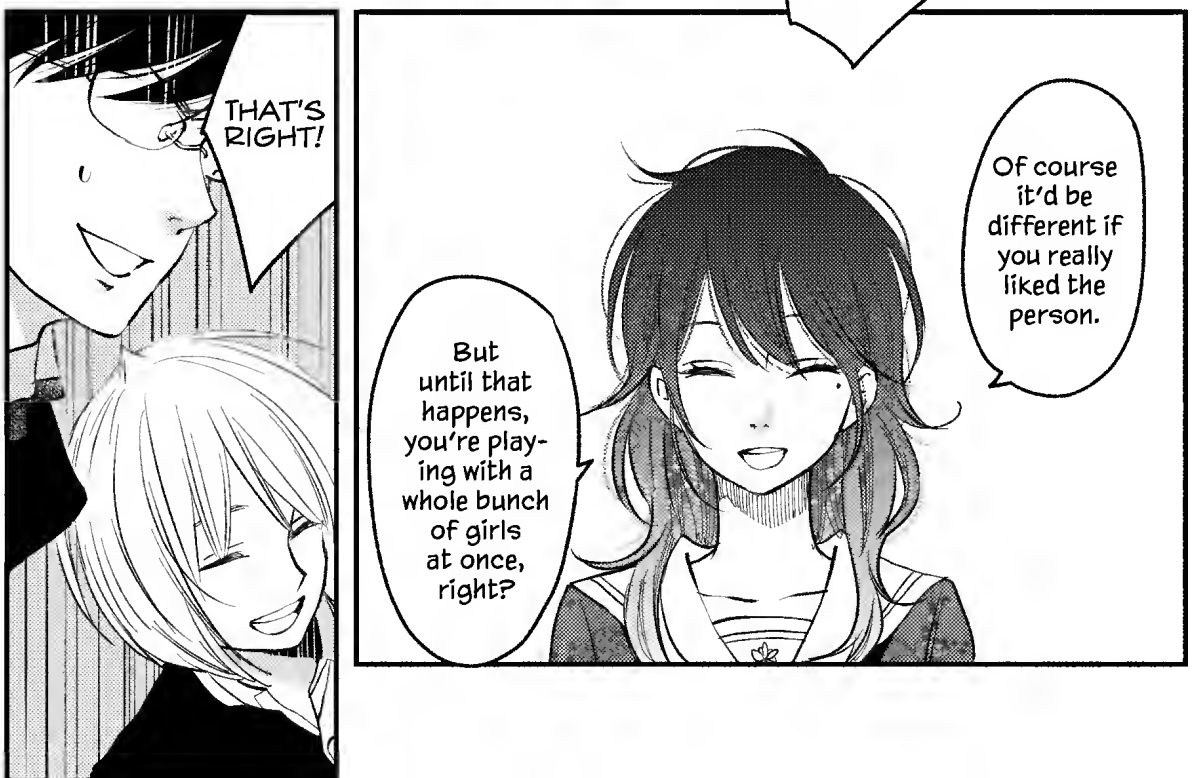
Did... did that help?
I see...

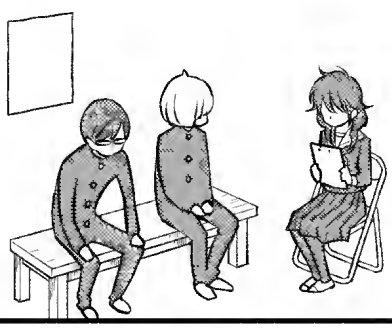


It's different if you find someone you really like, though!
SWEAT
SWEAT
If you find someone you like enough that you can't look away!
I suppose.
I've never seriously dated anyone, so I don't really know.
What ?!



Of course it'd be different if you really liked the person.
But until that happens, you're playing with a whole bunch of girls at once, right?
THAT'S RIGHT!

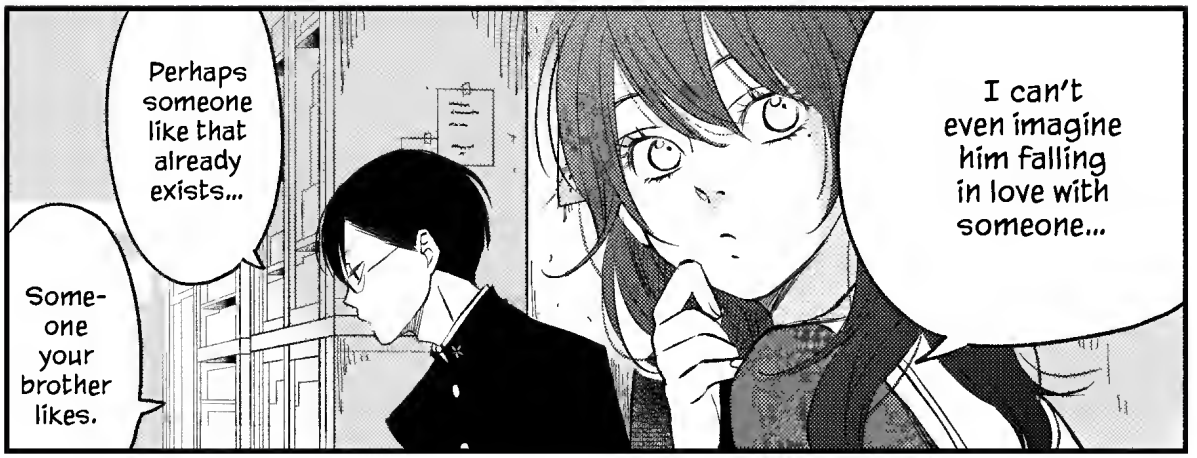
AND WITH-
OUT THEIR
KNOWLEDGE
OR CONSENT,
OF COURSE.



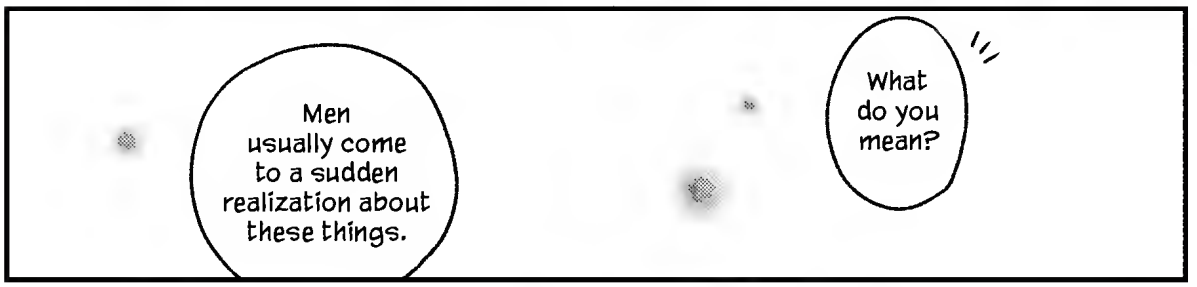
That's the issue, isn't it...

Well, of course, if I do fall in love, I'll definitely change...

If you fall in love, yes?

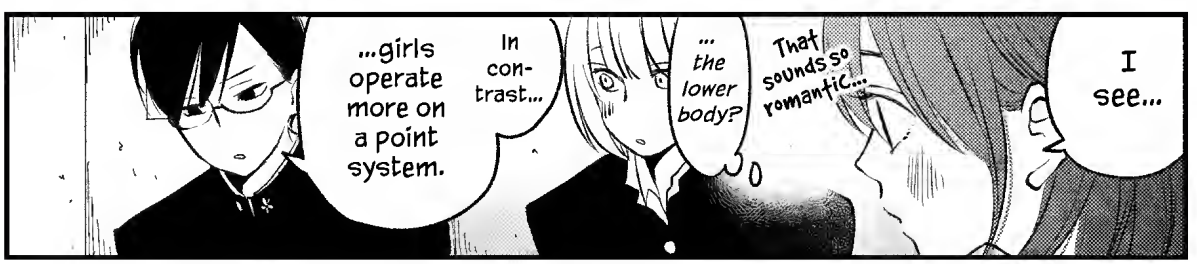


I can't even imagine him falling in love with someone...
Perhaps someone like that already exists...
Some-one your brother likes.

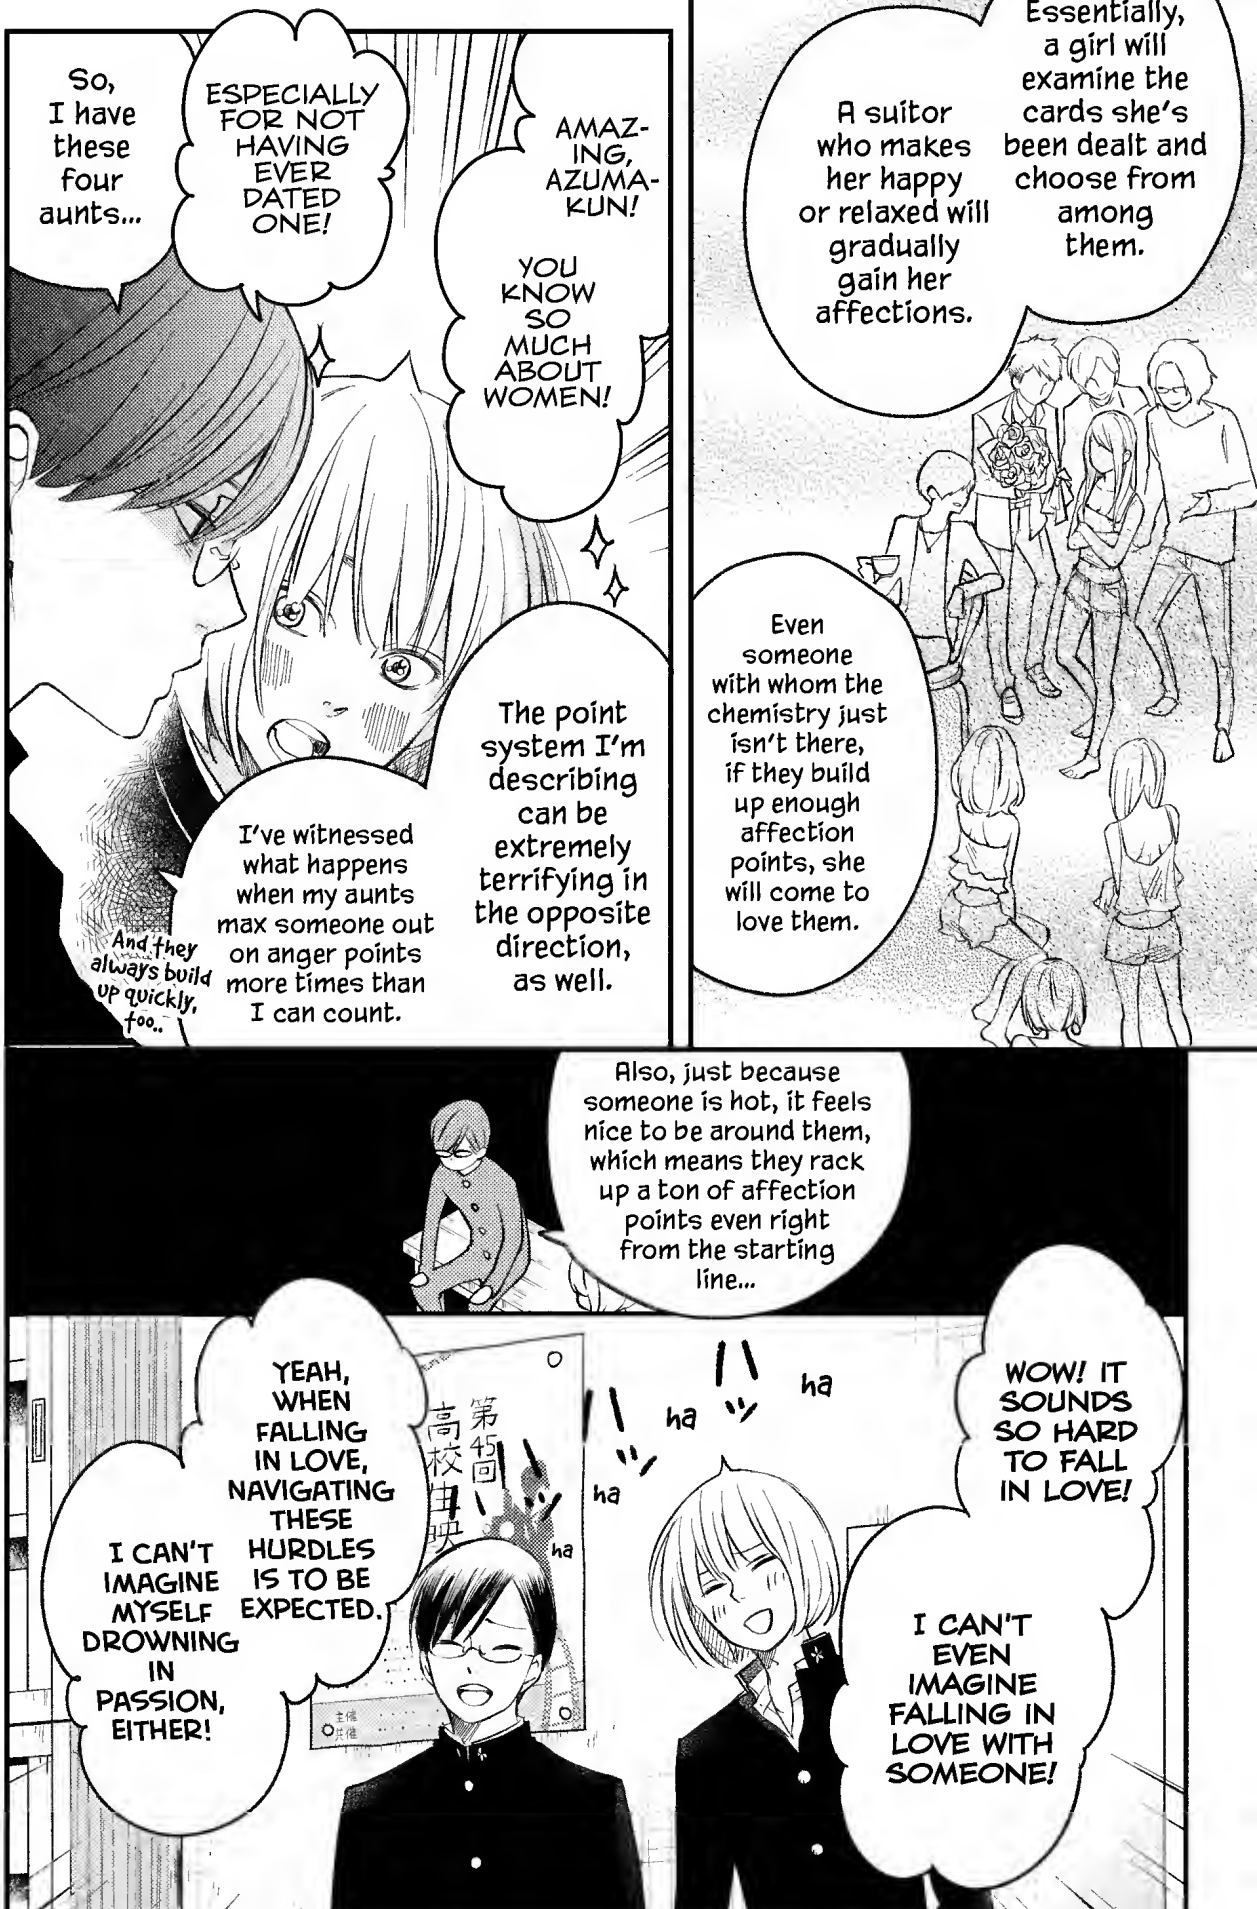


What do you mean?
Men usually come to a sudden realization about these things.

At first, a boy won't be certain as to whether or not he likes someone.
Even when attracted, he cannot be certain whether it's merely an attraction of the lower body or something deeper.
But as things gradually progress...
...a day will come when something provokes a sudden realization: he does, in fact, love her.



I see...
That sounds so romantic...
... the lower body?
In contrast...
...girls operate more on a point system.



Essentially, a girl will examine the cards she's been dealt and choose from among them.
A suitor who makes her happy or relaxed will gradually gain her affections.
Even someone with whom the chemistry just isn't there, if they build up enough affection points, she will come to love them.
So, I have these four aunts...
ESPECIALLY FOR NOT HAVING EVER DATED ONE!
AMAZ-ING, AZUMA-KUN!
YOU KNOW SO MUCH ABOUT WOMEN!
The point system I'm describing can be extremely terrifying in the opposite direction, as well.
I've witnessed what happens when my aunts max someone out on anger points more times than I can count.
And they always build up quickly, too..
Also, just because someone is hot, it feels nice to be around them, which means they rack up a ton of affection points even right from the starting line...
WOW! IT SOUNDS SO HARD TO FALL IN LOVE!
I CAN'T EVEN IMAGINE FALLING IN LOVE WITH SOMEONE!
ha
ha
ha
ha
YEAH, WHEN FALLING IN LOVE, NAVIGATING THESE HURDLES IS TO BE EXPECTED.
I CAN'T IMAGINE MYSELF DROWNING IN PASSION, EITHER!

LOVE IS ENTIRELY INTUITIVE.
NO, YOU'RE WRONG.

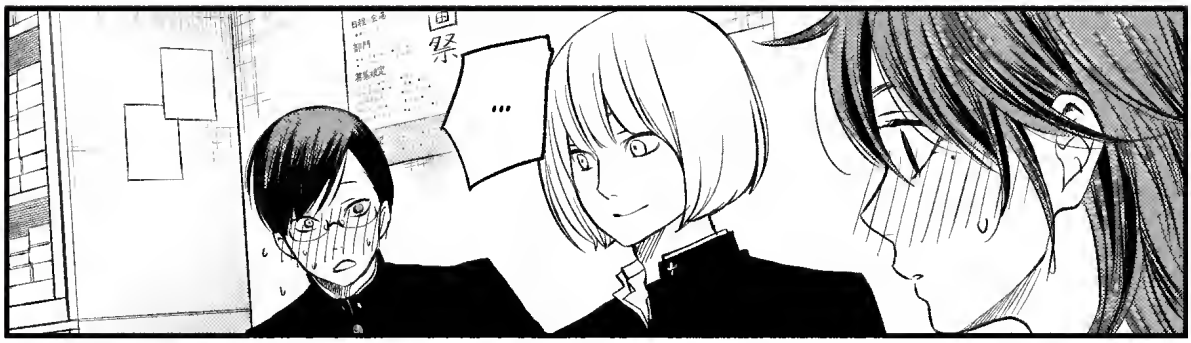
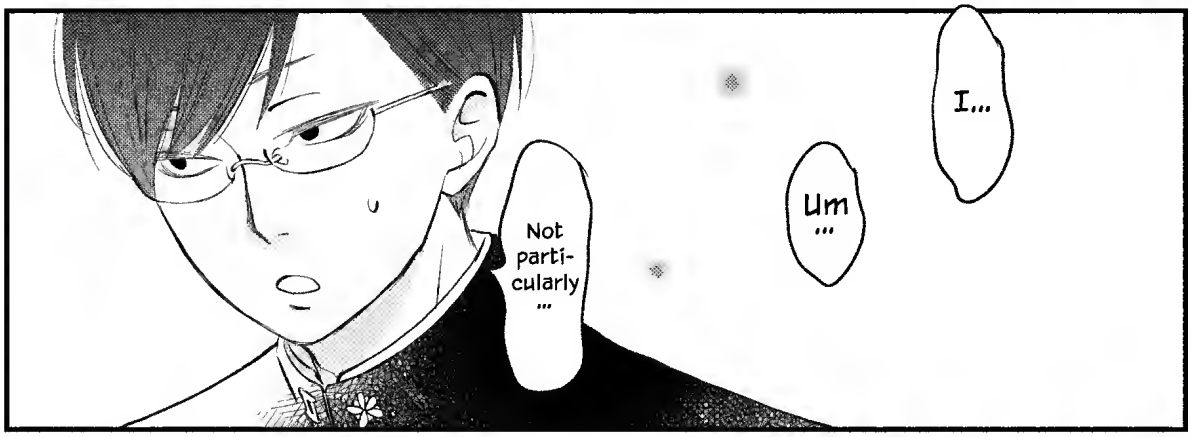
Love isn't some sort of game where you score points.
It's something you feel in your heart.
I understand now.

If I told him I loved him again... but I can't!
I really want to, but I can't!
If you have something on your mind, it might be better to talk about it.
Are you all right, Aizawa-san?
...she looks mad. I'd better leave her be.

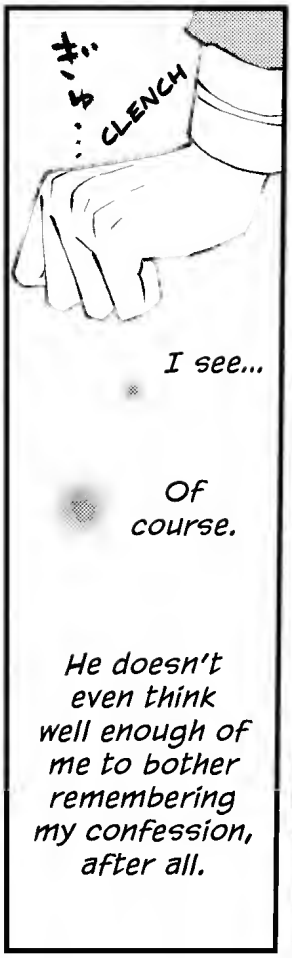
Oh, no, I'm fine, Tamaki-kun.
Thank you, though.
...
HMPH
I never said everyone was like that.
I was merely expressing my point of view.
HMPH
I do think ...
...Azuma-kun has too big of a head.
第45回 高校生映画祭
Even if, I admit, some girls are satisfied merely with those who are nice to them...
...not everyone is like that.

If I could rewind a bit...
Thinking about the girls around me...
...I think I might just like all of them.
Are you even serious?
Isn't that the same as saying you don't like any of them?
What about you, Azuma-kun?
I guess.
!
Do you like, say, Aizawa-san?
Uh.





After all, I'm just a scary, dark, unapproachable girl, like everyone says...

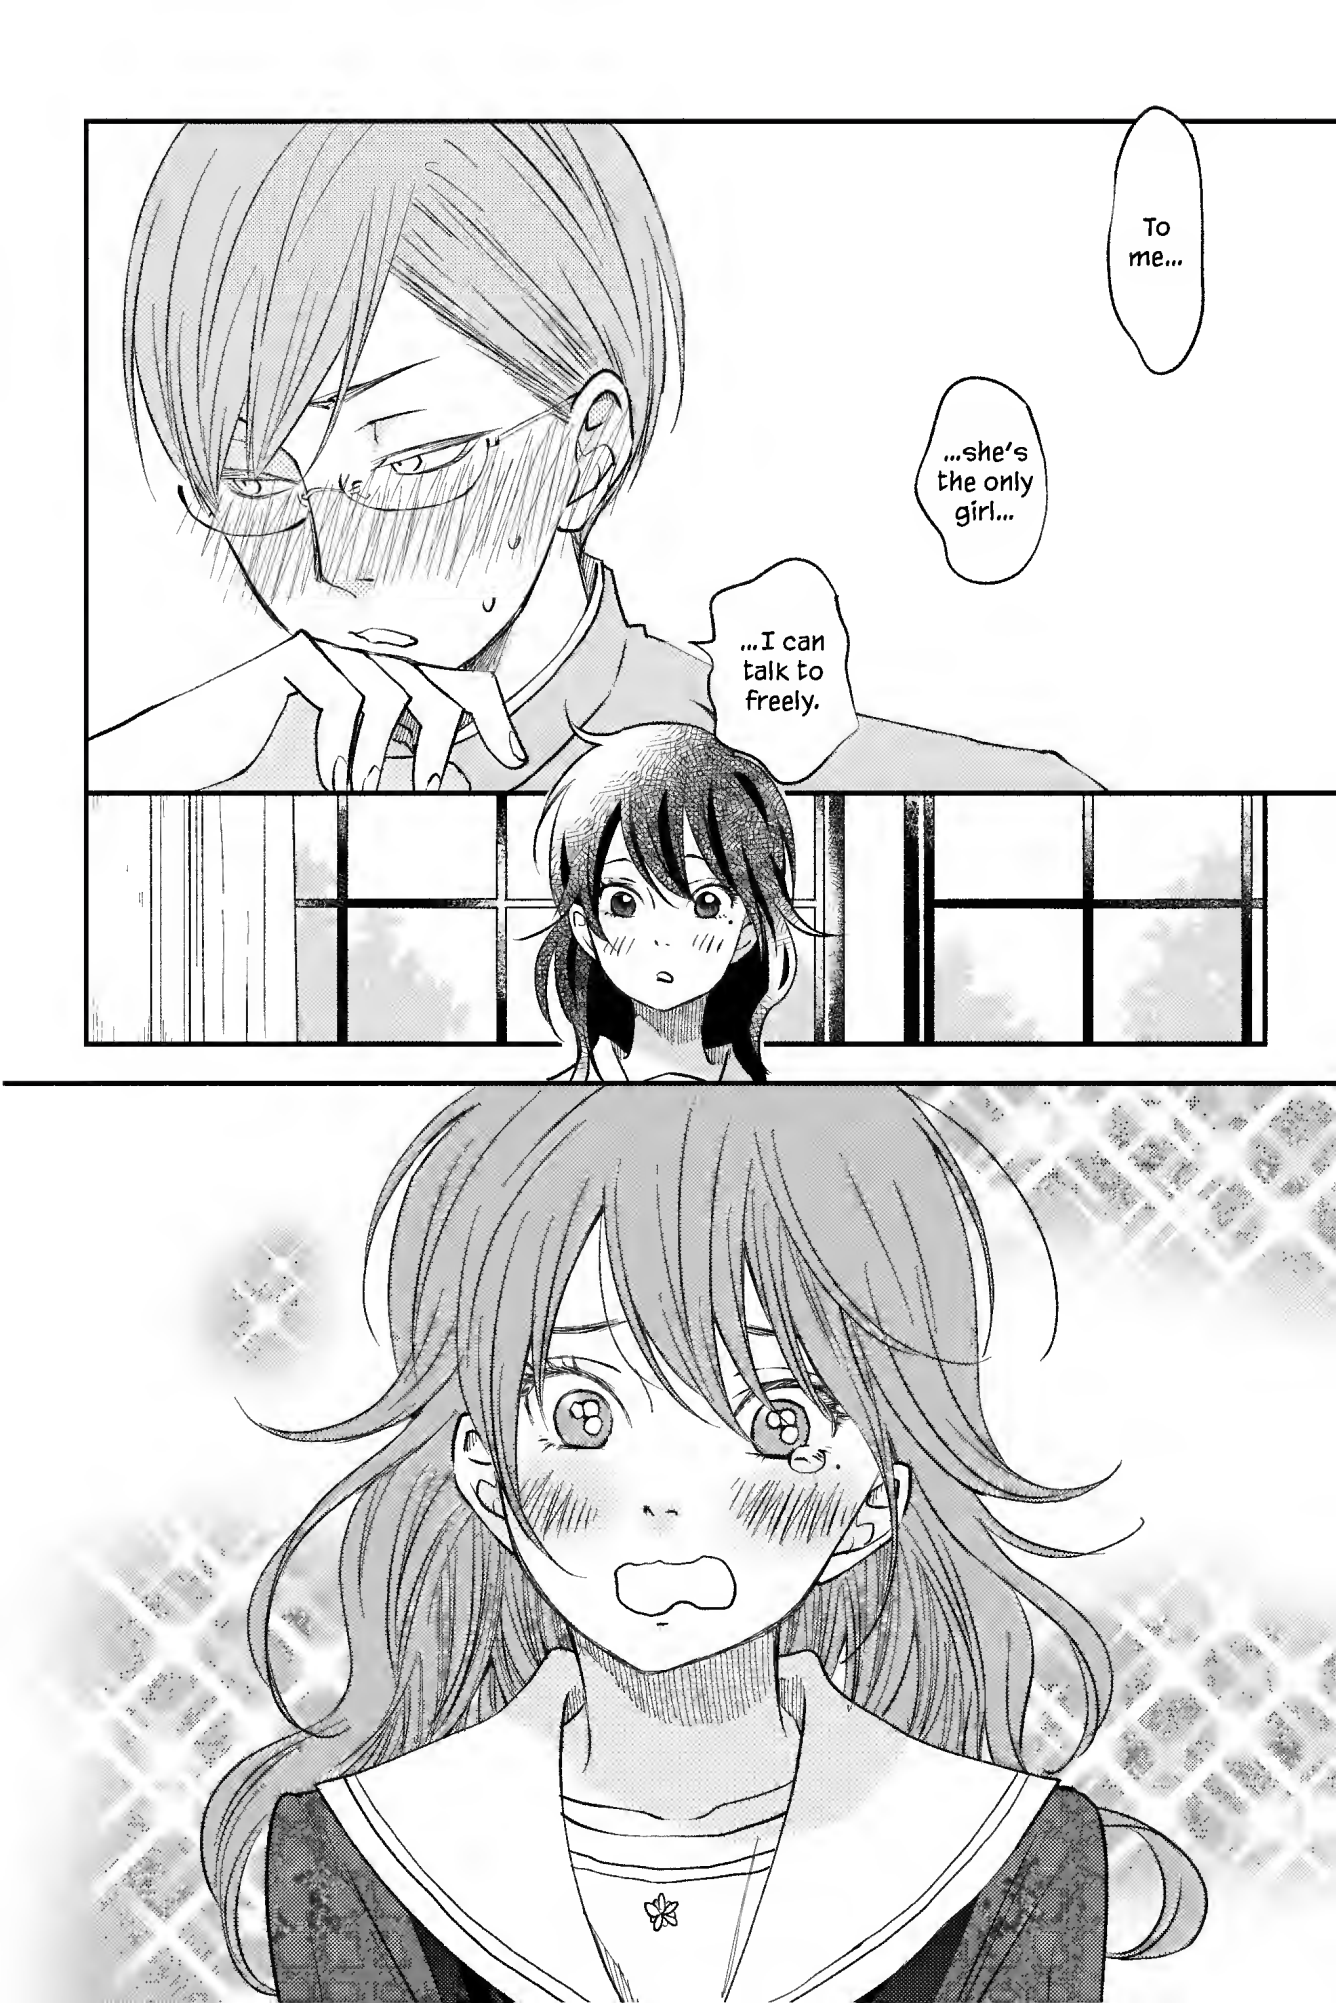


I see...

Of course.

He doesn't even think well enough of me to bother remembering my confession, after all.

...is nothing more than–
To Azuma-kun...
...a girl like me...
To...



To me...
...she's the only girl...
...I can talk to freely.

THANK YOU, AZUMA-KUN!
I'M GLAD WE TALKED TODAY!
I see!
We kind of forgot about her brother, didn't we...
You're leaving your friend behind?
She told me to go on ahead.

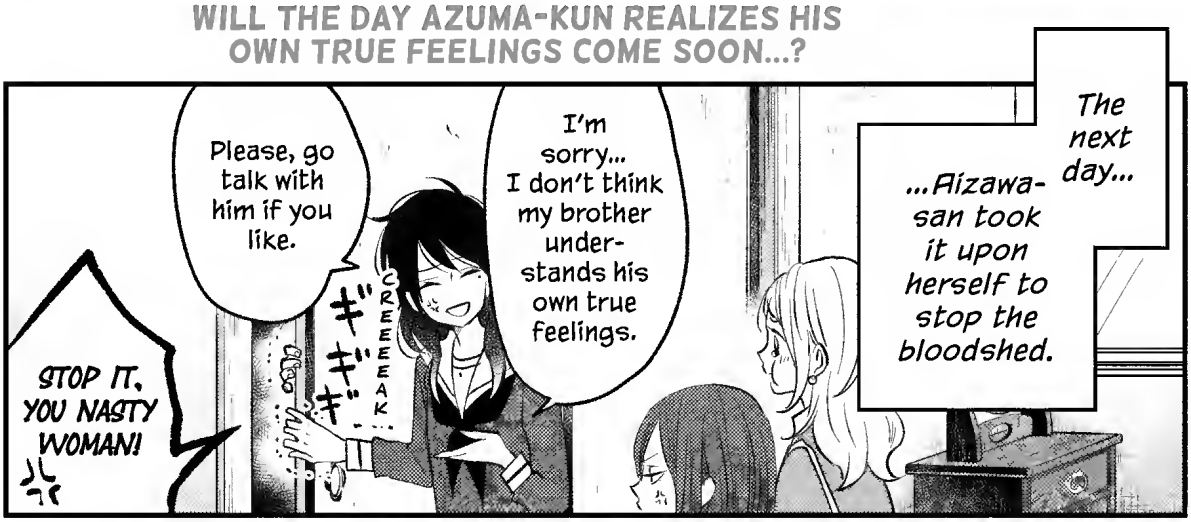
Falling in love?
...it's not entirely logical, is it?
I sup-pose ...

Well ... You might have a point.
I was a bit frus-trated, so my response was overly critical.
No.
I'm sure ...
...even if you want to fall in love with someone, it's not something you can control.

Yeah...
I agree with that.

Hey!
Where were you, Tamaki?!
Huh?
What's with your expression?
It's nothing, really...
WELL, CHEER UP! TODAY WE WERE ASKED OUT BY A GROUP OF COLLEGE GIRLS!
HA
HA
HA
HA
Okay. I'll do my best.
Tamaki!
Tamaki!
Hey.
Did something happen?

WILL THE DAY AZUMA-KUN REALIZES HIS OWN TRUE FEELINGS COME SOON...?



Continued in episode 14!

Next time, perhaps the Literature club and the class four girls will have something to say!
